SUPPLEMENT TO  
REPORT NO.

1. Following is a report of traffic on the Transcaspian Railway through Dushak, Turkmen SSR, and of road traffic to and from Dushak for the period 1 August to 11 September 1951.
2. The omission of certain whole days or half days was the result of source's inability to make observations on those days because of inclement weather. The omissions can, therefore, be taken as an indication of the number of days of poor visibility in the area. At present source is unable to obtain data on the contents of the trains or vehicles.
